SignGuardian-O

The new SG-O mounts signs on Ornamental Fencing.

Thanks to its stepped design, the SG-O can mount on any of the common size pickets used in Ornamental Fencing: 1", 3/4", and 5/8"!

SG - O - X	10 Pack w/hardware
SG - O - L	50 Pack w/hardware
SG - O - C	100 Pack w/hardware

patent pending

Easy to install, attractive, secure... and inexpensive!

Previously, mounting signs to Ornamental Fencing required damaging the fence by

drilling and bolting, or worse, using flat metal and an exposed bolt.

No more!
