

P & C Tech Products introduces The SignGuardian™ System

New Hardware for connecting
signs and banners to chain link fencing!

Sign Guardian

Available in black or grey

**Old-fashioned hardware
creates many problems!**

SignGuardian™ is the answer!

- ◆ SignGuardians™ are shipped with stainless steel hardware.
- ◆ Signs now can be installed from one side of fence!™
- ◆ SignGuardians™ are made of extremely strong Nylon 6/6!
- ◆ SignGuardian™ provides security to signs and banners mounted on chain link fencing!
- ◆ Easy and safe installation, even for playgrounds!
- ◆ Vertical and Horizontal travel to connect holes.
- ◆ Lock-On™ Fence feature.
- ◆ Nut locked inside slot.

 *Proudly made in the USA*
